

TCE 4225

Swing Arm Tire Changer

BOSCH
Invented for life

Classic swing arm design with 20" outside clamping capacity.

The TCE 4225 features classic swing arm design with external clamping up to 20".

The high performance mount/demount head with tire iron slot can be utilized to apply additional pressure to help mount difficult tires. The turntable includes opposing jaws with built-in inflation jets.

The 4225 is built to exceptionally high quality standards and is backed by an extended warranty:

- ▶ One year on parts
- ▶ Three years on the motor
- ▶ Five years on the transmission

Features

A 20" turntable and dual jaw cylinders will make the TCE 4225 your "go to" tire changer.

Replaceable plastic inserts protect the rim surface from metal contact to prevent accidental damage.

Telescoping adjustments on the bead breaker shaft increase wheel width and tire diameter capacities.

Essential Features:

- ▶ Maximum rigidity and turntable torque
- ▶ High performance mount/demount head with tire iron slot
- ▶ Opposing adjustable jaws with inflation jets
- ▶ 3-position telescopic bead breaker with telescoping adjustment
- ▶ A quality tire changer manufactured in Correggio, Italy

Not an entry-level tire changer!

The TCE 4225 is a swing arm tire changer with a 20" turntable, but don't confuse it with entry-level tire changers. It is loaded with features also found on our high end tire changers.
